Motions *in limine* shall be filed no later than five days prior to the pre-trial conference. All motions, other than summary judgment motions and motions to dismiss, shall be accompanied with a proposed order.

SO ORDERED, this 19th day of April, 2022.

CHRISTOPHER L. RAY
UNITED STATES MAGISTRATE JUDGE
SOUTHERN DISTRICT OF GEORGIA

¹ The parties' proposed scheduling order includes deadlines for responses and replies to "civil motions." See doc. 61-1 at 2-3. To the extent that the parties' intent is to proactively extend the deadlines to respond and reply to dispositive civil motions, *e.g.* motions for summary judgment, that request is premature. The proposed deadlines also risk confusing the parties' obligations to respond and reply to nondispositive motions that may be filed before the civil motions deadline, *e.g.* motions to compel discovery. Cf. S.D. Ga. L. Civ. R. 7.5, 7.6. To avoid any confusion, the Court declines to enter the parties' proposed response and reply deadlines. However, the parties remain free to seek consent extensions to the response and reply deadlines associated with any motions that are filed.
